11:11

A CALL TO ORDER

THE MANDATE

To sound a prophetic call for revival and order in the Body of Christ, awakening the Church to her identity and governmental responsibility as a kingdom of priests, enthroning Christ in every sphere, and establishing the government and order of God upon the earth. This mandate calls the Church to return to divine order, arise in her priestly and kingly identity, and step into the fullness of her expression as the Body of Christ.

ANCHOR SCRIPTURES

"And hast made us unto our God kings and priests: and we shall reign on the earth."
Revelation 5:10

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The The Prince of Peace. Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this."
Isaiah 9:6–7

"But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelloous light."
1 Peter 2:9

THE MISSION

To convene and connect Ministers of Christ, Marketplace Apostles, Kingdom Ambassadors, Visionaries, and Pioneers across diverse spheres, creating a strategic platform for fellowship, dialogue, alignment, collaboration, and the advancement of God's purposes for His Church.

Through the 11/11 Roundtable Gathering, we seek to bring key voices and kingdom leaders together, facilitate meaningful conversations around the issues confronting the Body of Christ, and communicate the prophetic message and mandate for the season.

We believe that when the leadership is aligned, the Church can be mobilised; and when the Church is united and ordered, her influence can reach the nations.

THE VISION

To see a united and ordered Body of Christ, fully awakened to her identity, authority, responsibility, and governmental expression, functioning together according to the pattern of Christ.

The vision is to see the Church move beyond fragmentation into unity, maturity, order, and collective expression, so that Christ may be fully manifested through His Body and His government established on the earth.
